Another center-left movement from modern American liberalism that used the term "neoliberalism" to describe its ideology formed in the United States in the 1970s. According to political commentator David Brooks , prominent neoliberal politicians included Al Gore and Bill Clinton of the Democratic Party of the United States. [34]

Neoliberalism - Wikipedia

In social studies, a political ideology is a certain set of ethical ideals, principles, doctrines, myths or symbols of a social movement, institution, class or large group that explains how society should work and offers some political and cultural blueprint for a certain social order. A political ideology largely concerns itself with how to allocate power and to what ends it should be used.
