Alaska Mountain Guides & Climbing School, Inc. | Premier ...

At a time when most American guides provided no instruction to their clients, the founders launched a mountaineering school offering courses in ice climbing, rock climbing, glacier skills, and off-piste skiing, with a mission to grow their clients into self-sufficient climbers. Today, the Institute continues this tradition of teaching skill mastery and self-leadership, an approach that contributes to our extraordinary record of safety and success in the great ranges of the world.

American Alpine Institute | Mountaineering School ...

The American Alpine Institute has put together a series of courses that will provide the aspiring mountain guide with the trainings and certifications needed in order to be taken seriously by a prospective employer. When discussing this program, we often use an analogy. Your climbing and outdoor experiences are like going to school:

Mountaineering Instructor Professional Training Program

The American Mountain Guides Association (AMGA) certifies guides in three different disciplines: Rock, Alpine, and Ski. An individual can be certified at a variety of levels in each discipline. Once certified that individual has been deemed qualified by the AMGA to guide within that discipline within certain terrain guidelines (listed below).

[International Mountain Guides](#)

A mountain guide is a specially trained and experienced professional mountaineer who is certified by local authorities or mountain guide associations. They are considered to be high-level experts in mountaineering, and are hired to instruct or lead individuals or small groups who require this advanced expertise. This professional class of guides arose in the middle of the 19th century when Alpine climbing became recognized as a sport.
