EU Services Directive - GOV.UK

A 'communications provider' is defined in section 405 of the Communications Act 2003 as someone who provides an electronic communications network or electronic communications service. So this term

Bookmark File PDF Service

is broad and includes any organisation that operates a network or service, even if it is a private network or service not available to the public.

Key concepts and definitions | ICO

sometimes one provider will choose to register different services separately at

Bookmark File PDF Service

the same site (for example, a large NHS trust may have its main hospital services and an ambulance or mental health service operating in one place but choose to list them as separate locations)
