The Real Book Volume 3 carries on that same tradition. Here you'll find an assortment of artists that were up and coming and continuing to emerge onto the jazz scene. And it also included many artists and composers that are not well known, which is great for adding some "off the map" songs into your jazz repertoire and lead sheet music collection.

The Official Real Book – Books

Only the first volume is the original. The two following volumes of The Real Book were produced. Volume 2 is printed in characteristically "rough" handwriting and transcription, while the third volume is typeset on a computer. The transcriptions in The Real Book are unlicensed; no royalties are paid to the musicians whose songs appear in the book. Consequently, the book violates copyright and is therefore illegal.
