mokeBadminton Unit Plan. Philosophy. Our philosophy is that Physical Education should promote the learning domains as outlined in the BC IRP, while providing a positive learning environment where the students feel comfortable regardless of their ability. Through making our program fast paced and fun we will be able to incorporate different teaching styles so that those students of all levels feel comfortable and increase their badminton skills.

9th Grade Badminton Unit Plan. INTRODUCTION. The purpose of this unit is to introduce the game of badminton and to create an interest and a level of success in the game so that the students will want to continue to participate for the rest of their lives. Introducing the game of badminton at this level is developmentally appropriate for these students because badminton is a lifetime sport and is a sport that will keep the individual active along their live span.
